Membership Card & Till System

Data Protection Consent Form

“I consent to L.C.&S.C. storing and using my personal data to operate a membership card-based discount scheme and till system. I understand that I may also receive communications regarding club activities, official club notices and marketing.

The data shall be restricted to: name, sports sections, start/stop dates of membership and email address. The data will only be accessed by permitted club officials. It will be stored in a secure system for as long as required for operation and will not be passed to any third party.

Upon cancellation of membership, within 3 months such data will be deleted. Personal data can be removed by request in any case.

Card payment data will be secure, private and destroyed after six years or as required by UK law.

Service providers and systems partners may upgrade or maintain the club’s systems and it is understood that any data storage device removed will be secured and destroyed in accordance with their Data Protection practices which can be obtained by request.”
